

CONGRATULATIONS!!

Once again the Colorado Judo League bus trip to the 2011 Dallas Invitation was a success--our judoka made us proud!! With competition being very tough at the Dallas Invitational, Colorado Judo League competitors went home with medals. OTC placed third in overall points in the tournament, Jacob Larson (Boulder) took first place in his division as did Katie Sell in hers (OTC)--both were senior divisions with Jacob and Katie each winning \$1000 for their 1st place win!!

Thanks to the CJL clubs who supported the bus trip to Dallas--obviously, it could not be done without your support & dedication to judo. Also, a special thank you to coaches, referees and parents who also are a great asset to the trip and to the tournament itself.
